

THE GU UPDATE: RISE KOHYANG HS

Spring 2022

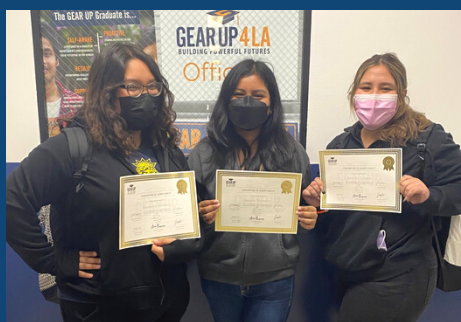

GEAR UP 4 LA is honored to serve ninth- and 10th-grade students and families at Rise Kohyang High School. We have had a successful first semester at RKHS. Many students and parents participated in our college access workshops, experienced virtual college visits, and received lots of personalized counseling and advising. We are looking forward to more exciting enrichment opportunities like the Gladeo Career Exploration workshop and growing our mentor program on campus.

RISE PEER MENTORS

Highlights

STUDENT - DUAL ENROLLMENT

"GEAR UP has helped me not only get information about college but also by giving me opportunities to get college credits and more, which I wouldn't been able to do without GEAR UP's help."

MRS. AGUILAR - TEACHER

"The program and staff provide that extra layer of support for both students and their teachers. Working with the GEAR UP staff has been a pleasure. Their authentic approach to guiding students on their post-high school pathways is really impactful, especially through their sharing of personal experiences during hands-on-projects and learning experiences."
